2012

AICEP - Lusophone Champions of Literature, Agustino Neto

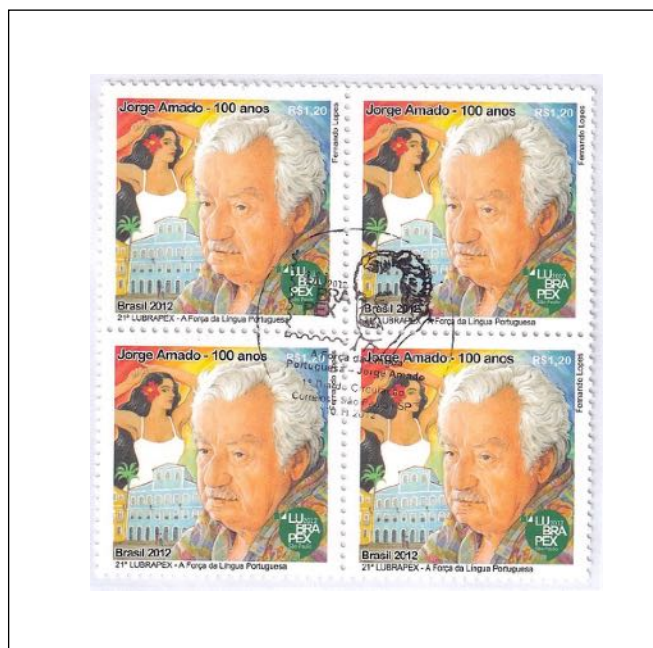

Designer: Unknown

Printing: Imprensa Nacional Casa da Moeda - INCM. Sheets of 50 stamps
1 by 100 Kz stamp

Quantity: Proofs. (Cape Verde 20.000 s25, Macau 200.000 by OSD s50)

Perforation: 12.

This stamp was never issued by CA. Proofs were prepared in connection with the other former Portuguese Colonies, all of whom issued their own example. Other than Cape Verde and Macau they are very scarce and hard to source, especially the issues from Sao Tome and Mozambique. Some examples of the Angolan issue have found their way onto the market, but they are proof examples and were not authorised to do postal service.
